Research output
Listing of Research output

Treatment abandonment in children with cancer in Sub-Saharan Africa: systematic literature review and meta-analysis
Research output: Contribution to journal › Review article

Survey to explore understanding of the principles of aseptic technique: qualitative content analysis with descriptive analysis of confidence and training
Research output: Contribution to journal › Article

Impaired mobility associated with an increased likelihood of death in children: a systematic review
Research output: Contribution to journal › Article

Preventing infection in intravenous catheters in the community
Research output: Contribution to journal › Article

Changing the paradigm: messages for hand hygiene education and audit from cluster analysis
Research output: Contribution to journal › Article

Glycaemic control in people with type 2 diabetes mellitus during and after cancer treatment: A systematic review and meta-analysis
Research output: Contribution to journal › Article

What is the relationship between increased access to HAART, relationship status and fertility decisions amongst HIV-positive women? A literature review and meta-analysis
Research output: Contribution to journal › Article

Social Media and Depressive Symptoms in Childhood and Adolescence: A Systematic Review
Research output: Contribution to journal › Article

Nurses’ smoking habits and their professional smoking cessation practices. A systematic review and meta-analysis
Research output: Contribution to journal › Article

Is it really theoretical? A review of sampling in grounded theory studies in nursing journals
Research output: Contribution to journal › Article

Fever phobia: The impact of time and mortality - A systematic review and meta-analysis
Purssell, E. & Collin, J. 1 Apr 2016 In : International Journal of Nursing Studies. 56, p. 81-89
Research output: Contribution to journal › Article

Fever phobia 35 years later: Did we fail?
Research output: Contribution to journal › Article
Eligibility criteria in systematic reviews published in prominent medical journals: A methodological review
McCrae, N. & Purssell, E. Dec 2015 In : JOURNAL OF EVALUATION IN CLINICAL PRACTICE. 21, 6, p. 1052–1058
Research output: Contribution to journal › Article

Reviewing the importance of the cold chain in the distribution of vaccines
Research output: Contribution to journal › Article

Routine screening of women having caesarean section for MRSA: Ritual or rational?
Research output: Contribution to journal › Article

Feverish illness in children: Assessment and initial management in children younger than 5 years, Evidence Update
Research output: Book/Report › Report

Eligibility criteria in systematic reviews: A methodological review
Research output: Contribution to journal › Article

Fever in children - A concept analysis
Research output: Contribution to journal › Article

Shingles vaccination: Background and advice for community nurses
Purssell, E. 1 Sep 2014 In : British Journal of Community Nursing. 19, 9, p. 442-446 5 p.
Research output: Contribution to journal › Article

Cyclooxygenase inhibitors inhibit antibody response through interference with MAPK/ERK pathways and BLIMP-1 inhibition
Research output: Contribution to journal › Article

Czy zastosowanie leków przeciwgorączkowych u dzieci z ostrymi zakazeniemi wydłuża czas trwania choroby? Przegląd systematyczny i metaanaliza
Purssell, E. & While, A. E. 2014 In : Pediatria Polska. 89, 2
Research output: Contribution to journal › Article

Do doctors' smoking habits influence their smoking cessation practices?: A systematic review and meta-analysis
Research output: Contribution to journal › Article

Does the Use of Antipyretics in Children Who Have Acute Infections Prolong Febrile Illness?: A Systematic Review and Meta-Analysis
Purssell, E. & While, A. E. Sep 2013 In : Journal of Pediatrics. 163, 3, p. 822-827.e2 6 p., N/A
Research output: Contribution to journal › Article

Feverish illness in children Assessment and initial management in children younger than 5 years
Purssell, E. May 2013 NICE clinical guideline 160. National Institute for Health and Clinical Excellence
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Needs and priorities of young people with human immunodeficiency virus
Research output: Contribution to journal › Article
Parental self-efficacy and its measurement - an evaluation of a parental self-efficacy measurement scale
Purssell, E. & While, A. May 2013 In : Journal of Clinical Nursing. 22, 9-10, p. 1487-1494 8 p., N/A
Research output: Contribution to journal › Article

Systematic review of studies comparing combined treatment with paracetamol and ibuprofen, with either drug alone
Purssell, E. Dec 2011 In : Archives of Disease in Childhood. 96, 12, p. 1175-1179 5 p.
Research output: Contribution to journal › Article

P = nothing, or why we should not teach healthcare students about statistics
Research output: Contribution to journal › Article

Development of a scale to measure parental self-efficacy in the care of pre-school children during periods of health and minor illness: integrating health and social policy methods
Research output: Contribution to journal › Article

Knowledge about pandemic influenza in healthcare and non-healthcare students in London
Research output: Contribution to journal › Article

Tympanic thermometry - normal temperature and reliability
Research output: Contribution to journal › Article

Parental fever phobia and its evolutionary correlates
Research output: Contribution to journal › Article

Paracetamol with ibuprofen - Combining paracetamol and ibuprofen for fever in children
Research output: Contribution to journal › Letter

Treatment of fever and over-the-counter medicines
Research output: Contribution to journal › Article

Research output: Contribution to journal › Editorial

Research output: Contribution to journal › Editorial

Symptoms in the host: infection and treatment model
Research output: Contribution to journal › Article

Evolutionary nursing: the case of infectious diseases
Research output: Contribution to journal › Article
Fever phobia revisited
Purssell, E. Jan 2004 In : Archives of Disease in Childhood. 89, 1, p. 89 - 90 2 p.
Research output: Contribution to journal › Letter

Learning disabilities. Exploring the evidence surrounding the debate on MMR and autism
Research output: Contribution to journal › Article

Community-acquired MRSA in children
Research output: Contribution to journal › Article

Paediatric neurosurgery. A handbook for the multidisciplinary team
Research output: Contribution to journal › Book/Film/Article review

Protecting the body from infection during childhood
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Treating and preventing influenza: epidemiology and vaccination
Research output: Contribution to journal › Article

Treating fever in children: paracetamol or ibuprofen?
Research output: Contribution to journal › Article

Children infected with meningitis before 1 year of age were at increased risk of disability at 5 years of age
Purssell, E. 2002 In : Evidence-Based Nursing. 5, 2, p. 59 1 p.
Research output: Contribution to journal › Article

Guest editorial. 20 years of AIDS
Purssell, E. 2001 In : PAEDIATRIC NURSING. 13, 6, p. 3 1 p.
Research output: Contribution to journal › Article

Physical treatment of fever
Research output: Contribution to journal › Article

The use of antipyretic medications in the prevention of febrile convulsions in children
Research output: Contribution to journal › Literature review
