Mechanochemistry at the single bond limit: Towards Deterministic Epitaxy

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L.

£291,979.00

1/05/2016 → 10/12/2019

Project: Research

CP2K-UK

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L.

£253,402.00

1/09/2013 → 31/08/2018

Project: Research

Thermostatting open systems in non-equilibrium computer simulations

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L., Lorenz, C.

£389,669.00

7/01/2013 → 5/04/2017

Project: Research

Control of 2-dimensional molecular self-organisation: towards designed surfaces

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L.

£263,385.00

10/01/2013 → 7/07/2016

Project: Research

Towards understanding of atomic scale KPFM imaging, Japan

Royal Society

Kantorovich, L.

£633.00

27/07/2010 → 15/08/2010

Project: Research

Supramolecular self-assembly of 1-10nm templates for biofunctional surfaces, quantum information processing and nanoelectronics.

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L.

£206,093.00

1/07/2006 → 31/12/2010

Project: Research

Consistent embedding and its applications in physics, chemistry and biology

Leverhulme Trust

Kantorovich, L.

£101,793.00

1/09/2002 → 31/08/2005

Project: Research

Theoretical study of atomic scale dissipation in Scanning Force Microscopy

EPSRC Engineering and Physical Sciences Research Council

Kantorovich, L.

£55,185.00

1/09/2002 → 30/06/2005

Project: Research
