Research outputs
Listing of Research outputs

Clinical and neuroimaging correlates of cognition in HIV
Research output: Contribution to journal › Article

Factors associated with self- and informant ratings of quality of life, wellbeing and life satisfaction in people with mild-to-moderate dementia: Results from the Improving the experience of Dementia and Enhancing Active Life (IDEAL) programme
Research output: Contribution to journal › Article

Psychological predictors of 'living well' with dementia: findings from the IDEAL study on behalf of the IDEAL study team, 24 Mar 2019, In : Aging and Mental Health.
Research output: Contribution to journal › Article

Goal-oriented cognitive rehabilitation for early-stage Alzheimer's and related dementias: the GREAT RCT
Research output: Contribution to journal › Article

Individual goal-oriented cognitive rehabilitation to improve everyday functioning for people with early-stage dementia: A multicentre randomised controlled trial (the GREAT trial)
Research output: Contribution to journal › Article

A comprehensive model of factors associated with capability to 'live well' for family caregivers of people living with mild-to-moderate dementia: findings from the IDEAL study
Research output: Contribution to journal › Article

Anomalies of Autobiographical Memory
Kopelman, M. D., 1 Jan 2019, In : Journal of the International Neuropsychological Society.
Research output: Contribution to journal › Article

Face memory impairment in the cotard delusion
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Use and costs of services and unpaid care for people with mild-to-moderate dementia: Baseline results from the IDEAL cohort study
Research output: Contribution to journal › Article

The impact of comorbidity on the quality of life of people with dementia: findings from the IDEAL study
Investigating virtual reality navigation in amnestic mild cognitive impairment using fMRI
Research output: Contribution to journal › Article

Memory disorders
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Mentalizing the body: spatial and social cognition in anosognosia for hemiplegia
Research output: Contribution to journal › Article

Psychologic functional forms of memory disorder
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Research output: Chapter in Book/Report/Conference proceeding › Chapter

Slow wave and REM sleep deprivation effects on explicit and implicit memory during sleep
Research output: Contribution to journal › Article

Semantic memory: Which side are you on?
Research output: Contribution to journal › Article

Assessment of Confabulation in Patients with Alcohol-Related Cognitive Disorders: The Nijmegen–Venray Confabulation List (NVCL-20)
Research output: Contribution to journal › Article

mHealth and memory aids: levels of smartphone ownership in patients
Research output: Contribution to journal › Article

What does a comparison of the alcoholic Korsakoff syndrome and thalamic infarction tell us about thalamic amnesia?
Research output: Contribution to journal › Literature review

Amnesia in an actor: Learning and re-learning of play passages despite severe autobiographical amnesia
Research output: Contribution to journal › Article
Regional cerebral blood flow and FDG uptake in asymptomatic HIV-1 men

Research output: Contribution to journal › Article

Goal-oriented cognitive rehabilitation in early-stage dementia: study protocol for a multi-centre single-blind randomised controlled trial (GREAT)

Research output: Contribution to journal › Article

Memory disorders in the law courts

Research output: Contribution to journal › Article

The Korsakoff syndrome: a clinical perspective

Research output: Contribution to specialist publication › Article

Corrigendum to "Mirror-view reverses somatoparaphrenia: Dissociation between first- and third-person perspectives on body ownership" [Neuropsychologia 49 (2011) 3946–3955]

Research output: Contribution to journal › Article

Alcohol-related brain damage: report from a Medical Council on Alcohol Symposium, June 2010

Research output: Contribution to journal › Article

Assessing whether psychiatric trainees feel safe in the workplace

Research output: Contribution to journal › Article

Mapping the brain in younger and older asymptomatic HIV-1 men: Frontal volume changes in the absence of other cortical or diffusion tensor abnormalities

Research output: Contribution to journal › Article

Numeracy Skills in Patients With Degenerative Disorders and Focal Brain Lesions: A Neuropsychological Investigation

Research output: Contribution to journal › Article

Amnesia for offending

Research output: Chapter in Book/Report/Conference proceeding › Chapter

Great escapes: psychological forms of amnesia

Research output: Chapter in Book/Report/Conference proceeding › Chapter
Varieties of confabulation and delusion
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Retrograde amnesia and malingering
Research output: Contribution to journal › Article

Anmnesia
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Self-observation reinstates motor awareness in anosognosia for hemiplegia
Research output: Contribution to journal › Article

Psychogenic amnesia: when memory complaints are a medically unexplained
Research output: Contribution to journal › Article

Remote Semantic Memory In Patients With Korsakoff's Syndrome and Herpes Encephalitis
Research output: Contribution to journal › Article

Lishman's Organic Psychiatry: A Textbook of Neuropsychiatry
Research output: Book/Report › Book

Lishman's Organic Psychiatry: A Textbook of Neuropsychiatry (Revised 4th Ed)
Research output: Book/Report › Book

The Korsakoff Syndrome: Clinical Aspects, Psychology and Treatment
Research output: Contribution to journal › Article

Prominent and persistent loss of past awareness in amnesia: Delusion, impaired consciousness or coping strategy?
Research output: Contribution to journal › Article

The role of motor intention in motor awareness: an experimental study on anosognosia for hemiplegia
Research output: Contribution to journal › Article

Impairment of short-term memory associated with low iron stores in a volunteer multidose plateletpheresis donor
Research output: Contribution to journal › Article

Functional imaging correlates of fronto-temporal dysfunction in Morvan's syndrome
Alcohol and frontal lobe impairment: Fascinating findings

A case of selective impairment of encyclopaedic numerical knowledge or 'when December 25th is no longer Christmas day, but '20+5' is still 25'

Doctors' health and fitness to practise: performance problems in doctors and cognitive impairments

Retrograde episodic and semantic memory impairment correlates with side of temporal lobe damage INTRODUCTION

Self-serving confabulation in prose recall

Selective naming (and comprehension) deficits in Alzheimer's disease?

Introduction [to Special Issue: Encephalitis: Assessment and rehabilitation across the lifespan]

Recall and recognition memory in amnesia: Patients with hippocampal, medial temporal, temporal lobe or frontal pathology

Is action naming better preserved (than object naming) in Alzheimer's disease and why should we ask?

The understanding of quantifiers in semantic dementia: A single-case study

Retrograde amnesia in patients with hippocampal, medial temporal, temporal lobe, or frontal pathology

Dissociations in numerical abilities revealed by progressive cognitive decline in a patient with semantic dementia
Research output: Contribution to journal › Article

**Correlations of regional cerebral metabolism with memory performance and executive function in patients with herpes encephalitis or frontal lobe lesions**

Research output: Contribution to journal › Article

**Comments on "Psychopathology in neuropsychiatry: DSM and beyond"**

Research output: Contribution to journal › Editorial

**Psychiatric problems of detainees under the Anti-Terrorism Crime and Security Act 2001**

Research output: Contribution to journal › Editorial

**Remembering and forgetting of semantic knowledge in amnesia: a 16-year follow-up investigation of RFR**

Research output: Contribution to journal › Article

**Amnesia for criminal offences: a study of life sentence prisoners**

Research output: Contribution to journal › Article

**Lost for words or loss of memories? Autobiographical memory in semantic dementia**

Research output: Contribution to journal › Article

**FDG-PET findings in the Wernicke-Korsakoff syndrome**

Research output: Contribution to journal › Article

**Coexistence of posttraumatic stress disorder and traumatic brain injury: Towards a resolution of the paradox**

Research output: Contribution to journal › Literature review

**CSF hypocretin (Orexin) in neurological and psychiatric conditions**

Research output: Contribution to journal › Letter

**Hypocretin (orexin) deficiency in narcolepsy and primary hypersomnia**

Research output: Contribution to journal › Article

Research output: Book/Report › Book
A psychiatric perspective on the therapy of psychosis in systemic lupus erythematosus
Research output: Contribution to journal › Article

Advanced brain imaging procedures and human memory disorder
Research output: Contribution to journal › Literature review

Psychogenic amnesia
Research output: Contribution to journal › Article

Retrograde amnesia and the volume of critical brain structures.
Research output: Contribution to journal › Article

The role of memory clinics in diagnosis and management.
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Disorders of memory
Research output: Contribution to journal › Literature review

Organic retrograde amnesia
Research output: Contribution to journal › Editorial

The National Adult Reading Test as a measure of premorbid intelligence: A comparison with estimates derived from demographic variables
Research output: Contribution to journal › Article

Why semantic dementia drives you to the dogs (but not to the horses): A theoretical account
Research output: Contribution to journal › Article

The loss of episodic memories in retrograde amnesia: Single case and group studies
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Anterograde and retrograde amnesia following frontal lobe, temporal lobe, or diencephalic lesions.
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Contribution of recollection and familiarity judgements to rate of forgetting in organic amnesia.
Research output: Contribution to journal › Article
Experience and perspectives on the classification of organic mental disorders
Research output: Contribution to journal › Conference paper

Subcortical dementia
Research output: Contribution to journal › Article

The hypocretin/orexin system
Research output: Contribution to journal › Literature review

The loss of episodic memories in retrograde amnesia: single-case and group studies
Research output: Contribution to journal › Conference paper

Structural MRI volumetric analysis in patients with organic amnesia, 1: methods and comparative findings across diagnostic groups
Research output: Contribution to journal › Article

Structural MRI volumetric analysis in patients with organic amnesia, 2: correlations with anterograde memory and executive tests in 40 patients.
Research output: Contribution to journal › Article

Tribute to Alan Parkin
Research output: Contribution to journal › Article

Amnesic syndrome and severe ataxia following the recreational use of 3,4-methylene-dioxymethamphetamine (MDMA, 'ecstasy') and other substances
Research output: Contribution to journal › Article

Category specificity in reading and writing: the case of number words.
Research output: Contribution to journal › Article

Learning and memory: recent findings
Research output: Contribution to journal › Article

Spared numerical abilities in a case of semantic dementia
Research output: Contribution to journal › Article

A selective loss of the ability to read and to write music
Research output: Contribution to journal › Article
Art and memory: A 7-year follow-up of herpes encephalitis in a professional artist
Research output: Contribution to journal › Article

Category-specific sparing of reading and spelling
Research output: Contribution to journal › Article

Comments on focal retrograde amnesia and the attribution of causality: An exceptionally benign commentary by Narinder Kapur
Research output: Contribution to journal › Editorial

Confusing confusion and psychosis: Risks at the interface of psychiatry and medicine
Research output: Contribution to journal › Article

Fear can interrupt the continuum of memory
Research output: Contribution to journal › Editorial

Focal retrograde amnesia and the attribution of causality: An exceptionally critical review
Research output: Contribution to journal › Literature review

Lost for words or loss of memories: Autobiographical memory in semantic dementia
Research output: Contribution to journal › Article

Rapid eye movement sleep behaviour disorder, depression and cognitive impairment - Case study
Research output: Contribution to journal › Article

FDG-PET analysis and findings in amnesia resulting from hypoxia
Research output: Contribution to journal › Article

Retrograde amnesia in patients with diencephalic, temporal lobe or frontal lesions
Research output: Contribution to journal › Article

Unreliable admissions to homicide. A case of misdiagnosis of amnesia and misuse of abreaction technique
Research output: Contribution to journal › Article

The evolution of spontaneous confabulation, delusional misidentification and a related delusion in a case of severe head injury
Research output: Contribution to journal › Article

Varieties of false memory
Cognitive effects of pituitary tumours and their treatments: two case studies and an investigation of 90 patients

Forgetting rates in neuropsychiatric disorders

Frequency judgements of abstract designs by patients with diencephalic, temporal lobe or frontal lobe lesions

Recall and recognition memory in patients with focal frontal, temporal lobe and diencephalic lesions

Rates of forgetting in Alzheimer dementia

PET activation of the medial temporal lobe in learning

Does the sedation resulting from sleep deprivation and lorazepam cause similar cognitive deficits?

Subjective memory evaluations in patients with focal frontal, diencephalic, and temporal lobe lesion

Autobiographical and retrograde memory loss in organic and psychogenic amnesia

Temporal and spatial context memory in patients with focal frontal, temporal lobe, and diencephalic lesions

Rates of forgetting in organic amnesia following temporal lobe, diencephalic, or frontal lobe lesions

Comments on Mayes and Downes: 'What Do Theories of the Functional Deficit(s) Underlying Amnesia Have to Explain?'

Confabulation extending across episodic, personal, and general semantic memory
Rate of forgetting in normal ageing: a comparison
Research output: Contribution to journal › Article

Remote and autobiographical memory, temporal context memory and frontal atrophy in Korsakoff and Alzheimer patients
Kopelman, M. D., 1989, In : Neuropsychologia. 27, 4, p. 437-460
Research output: Contribution to journal › Article

The Autobiographical Memory Interview: a new assessment of autobiographical and personal semantic memory in amnesic patients
Research output: Contribution to journal › Article

Cholinergic 'blockade' as a model for cholinergic depletion: A comparison of the memory deficits with those of Alzheimer-type dementia and the alcoholic Korsakoff syndrome
Research output: Contribution to journal › Article

Amnesia: organic and psychogenic
Kopelman, M. D., Apr 1987, In : British Journal of Psychiatry. 150, p. 428-442
Research output: Contribution to journal › Review article

Crime and amnesia: a review
Research output: Contribution to journal › Article

Two types of confabulation
Research output: Contribution to journal › Article

The cholinergic neurotransmitter system in human memory and dementia: a review
Research output: Contribution to journal › Article

Recall of anomalous sentences in dementia and amnesia
Research output: Contribution to journal › Article

Clinical tests of memory
Research output: Contribution to journal › Article

Psychiatrists' education in psychology: jackdaw or sponge?
Research output: Contribution to journal › Article

Pharmacological treatments of dementia (non-cholinergic)
Research output: Contribution to journal › Article

The memory deficits in Alzheimer-type dementia: a review
Multiple memory deficits in Alzheimer-type dementia: implications for pharmacotherapy
Research output: Contribution to journal › Article

Rates of forgetting in Alzheimer-type dementia and Korsakoff's syndrome
Research output: Contribution to journal › Article

Speech dominance, handedness and electro-convulsions
Research output: Contribution to journal › Article

Psychological aspects of neurology
Research output: Contribution to journal › Article

Patient information recall in a rheumatology clinic
Research output: Contribution to journal › Article

The contrast effect in the selection interview
Research output: Contribution to journal › Article

The above report is produced using the following setup
Ordered by: null
