

Projects

Listing of Projects

Investigating Rho-kinase (ROCK) in melanoma progression and therapy response

CRUK Cancer Research UK

Sanz Moreno, V.

£1,121,448.00

1/06/2017 → 31/05/2021

Project: Research

Understanding how cytoskeletal remodelling leads to drug resistance in melanoma

Harry J.Lloyd Charitable Trust

Sanz Moreno, V., Orgaz, J.

£141,152.00

1/06/2017 → 31/05/2019

Project: Research

Genomic and metabolic regulation of metastatic cancer stem cells (GENMETASTEM)

EC European Commission

Sanz Moreno, V., Rodriguez Hernandez, I.

£139,426.00

1/09/2016 → 31/08/2018

Project: Research

Interactions between cancer cells and the microenvironment. Searching for new therapies

Royal Society

Sanz Moreno, V.

£15,000.00

1/04/2012 → 31/03/2013

Project: Research

Transcriptional programs in melanoma metastasis

CRUK Cancer Research UK

Sanz Moreno, V., Fraternali, F., Ng, T., Ridley, A.

£1,244,049.00

4/01/2011 → 31/05/2017

Project: Research

NIHR Biomedical Research Centre

NIHR National Institute for Health Research

DHSC Department of Health and Social Care

Afzali, B., Antoniou, M., Barker, J., Barratt, B., Bevan, S., Burchell, J. et al.

£14,203,502.00

£10,336,234.00

1/04/2007 → 31/03/2017

Project: Research
