Research outputs
Listing of Research outputs

Emotion
Holzberg, B., 18 Nov 2023
Research output: Non-textual form › Digital or Visual Products

Purple by John Akomfrah: Confronting Human Histories with Deep Time in the Anthropocene
Research output: Contribution to journal › Article › peer-review

Mandeville's Fable: Pride, Hypocrisy, and Sociability
Research output: Book/Report › Book › peer-review

A study of solid-state epimerisation within lactose powders and implications for milk derived ingredients stored in simulated tropical environmental zones
Research output: Contribution to journal › Article › peer-review

Business Management Perspectives on the Circular Economy: Present State and Future Directions
Research output: Contribution to journal › Review article › peer-review

Nanomaterials for optical biosensors in forensic analysis
Research output: Contribution to journal › Review article › peer-review

Unpaid productive activities and loneliness in later life: Results from the Indonesian Family Life Survey (2000-2014)
Research output: Contribution to journal › Article › peer-review

Natural Rights and Pollution
Christmas, B., Feb 2023, Climate Liberalism: Perspectives on Liberty, Property, and Pollution. Palgrave Macmillan
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

"The MRI education course" – A free resource for the community to provide MRI education, across the Europe and Iran, established during the COVID-19 pandemic
Research output: Contribution to journal › Letter › peer-review

Code: From Information Theory to French Theory
Research output: Book/Report › Book › peer-review

The Wandering Army: The Campaigns that Transformed the British Way of War
Davies, H. J., 3 Jan 2023, Yale University Press. 500 p.
Research output: Book/Report › Book › peer-review

Hercules: Deep Hierarchical Attentive Multi-Level Fusion Model with Uncertainty Quantification for Medical Image Classification
Comunian, R., Drummond, F., Gross, J., Snowball, J. & Tarentaal, D., 2023, King's College London (London) and Rhodes University (Grahamstown). 35 p.
Research output: Book/Report › Report

God in Medieval Thought
Schumacher, L., 2023, (Accepted/In press) T & T Clark Encyclopaedia of Christian Theology. T & T Clark International
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Is It China’s Lehman Brothers Moment? Unveiling Evergrande Debt Crisis, Financial Risks, and Regulatory Implications
Research output: Contribution to journal › Article › peer-review

Isolation and Functional Characterization of Regulatory CD4+ T Cells from the Inflamed Joints of Patients with Rheumatoid Arthritis
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Language and doctrine in Parmenides’ Way of Reality
Tor, S., 2023, (Accepted/In press) In: JOURNAL OF HELLENIC STUDIES. 143
Research output: Contribution to journal › Article › peer-review

Neural Weight Search for Scalable Task Incremental Learning
Jiang, J. & Celiktutan, O., 2023, (Accepted/In press) IEEE/CVF Winter Conference on Applications of Computer Vision (WACV). IEEE
Research output: Chapter in Book/Report/Conference proceeding › Conference paper › peer-review

Pandemic Response and The Cost of Lockdowns: Global Debates from Humanities and Social Sciences
Research output: Book/Report › Book › peer-review

QROWD—A Platform for Integrating Citizens in Smart City Data Analytics
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

The Chinese Nuclear Program
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

“No Man Twice Before Every Man Once”: Social Structures and the Culture of War in the Second New Zealand Expeditionary Force, 1939-1948
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Inhaled corticosteroids for the treatment of COVID-19
Research output: Contribution to journal › Review article › peer-review
"Double Genocide" or Revenge Killings? Did the Liberators of a Genocide Commit their Own?
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

ObfSec: Measuring the security of obfuscations from a testing perspective
Research output: Contribution to journal › Article › peer-review

Proust-Machine
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Sir Gawain and the Green Knight and the alliterative tradition
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Evaluation of clinical harm associated with Omicron hospital-onset COVID-19 infection
Research output: Contribution to journal › Letter › peer-review

Contested Collections: using 3D replicas to present new narratives of objects with contested histories
Research output: Chapter in Book/Report/Conference proceeding › Chapter

A Comprehensive Multi-Topology Minimum Set Cover Link-State Routing Approach for Emerging Random All-IP Access Network Topologies
Research output: Contribution to journal › Article › peer-review

ADHD Remote Technology study of cardiometabolic risk factors and medication adherence (ART-CARMA): a multi-centre prospective cohort study protocol
Research output: Contribution to journal › Article › peer-review

Endogenous antibody responses in REGN-COV2 treated SARS-CoV-2 infected individuals
Research output: Contribution to journal › Article › peer-review

Lesbian Legibility and Queer Legacy in Céline Sciamma’s Portrait de la jeune fille en feu/Portrait of a Lady on Fire (2019)
Research output: Contribution to journal › Article › peer-review

Projections of SDEs onto Submanifolds
Research output: Contribution to journal › Article › peer-review
A thematic analysis of YouTube comments on a television documentary titled 'Diabulimia: The World's Most Dangerous Eating Disorder'
Research output: Contribution to journal › Article › peer-review

Relocating the future: biographical objects, aspiration, and repair in urban Taipei
Research output: Contribution to journal › Article › peer-review

Ways of Belonging: Undocumented Youth In the Shadow of Illegality
Meloni, F., 19 Dec 2022, (Accepted/In press) Rutgers University Press. (Childhood and youth studies)
Research output: Book/Report › Book › peer-review

What do cardiac extended surgical team members in the Kingdom of Saudi Arabia think about their jobs, and what would improve them? A qualitative study
Research output: Contribution to journal › Article › peer-review

Gene-environment correlations and genetic confounding underlying the association between media use and mental health
Research output: Contribution to journal › Article

Sharp estimates for conditionally centred moments and for compact operators on $L^p$ spaces
Research output: Contribution to journal › Article › peer-review

Kessler, I., 16 Dec 2022, (Accepted/In press) London: NIHR Policy Research Unit in Health and Social Care Workforce, The Policy Institute, King's College London.
Research output: Book/Report › Commissioned report › peer-review

Discrete Riesz transforms on rearrangement-invariant Banach sequence spaces and maximally noncompact operators
Research output: Contribution to journal › Article › peer-review

Limits to adaptation: Building an integrated research agenda
Research output: Contribution to journal › Article › peer-review

Maximising the positive and minimising the negative: Social media data to study youth mental health with informed consent
Research output: Contribution to journal › Article › peer-review

SARS-CoV-2 Spike protein activates TMEM16F-mediated platelet pro-coagulant activity
Research output: Contribution to journal › Article › peer-review

Undergoing radical treatment for prostate cancer and its impact on wellbeing: A qualitative study exploring men's experiences
Asymmetries in Child Foreign Language Acquisition: Production and Interpretation of L2 English Subjects
Research output: Contribution to journal › Article › peer-review

Bidirectional causal associations between same-sex attraction and psychological distress: Testing moderation and mediation effects
Research output: Contribution to journal › Article › peer-review

Changing trends in ethnicity and academic performance: observational cohort data from a UK medical school
Research output: Contribution to journal › Article › peer-review

NEGATIVE SYMPTOMS IN CHILDREN AND ADOLESCENTS WITH EARLY-ONSET PSYCHOSIS AND AT CLINICAL HIGH-RISK FOR PSYCHOSIS: SYSTEMATIC REVIEW AND META-ANALYSIS
Research output: Contribution to journal › Article › peer-review

Parents’ intention to vaccinate their child for COVID-19: a mixed-methods study (CoVAccS – wave 3)
Research output: Contribution to journal › Article › peer-review

Review of J. Fletcher, Classical Greek Tragedy
Andújar, R., 15 Dec 2022, (E-pub ahead of print) In: CLASSICAL REVIEW.
Research output: Contribution to journal › Book/Film/Article review › peer-review

The effects of explicit and implicit information on modulation of corticospinal excitability during hand-object interactions
Research output: Contribution to journal › Article › peer-review

The influence of insulin on anticipation and consummatory reward to food intake: A functional imaging study on healthy normal weight and overweight subjects employing intranasal insulin delivery
Research output: Contribution to journal › Article › peer-review

Understanding the complex relationship between multidimensional poverty and depressive symptoms among young South Africans: A cross-sectional study
Research output: Contribution to journal › Article › peer-review

Brain stimulation treatment for bipolar disorder
Mutz, J., 14 Dec 2022, In: Bipolar Disorders.
Research output: Contribution to journal › Review article › peer-review

Delayed viral vector mediated delivery of neurotrophin-3 improves skilled hindlimb function and stability after thoracic contusion

**Homelessness in autistic women: defining the research agenda**

**Optimality Despite Chaos in Fee Markets**

**Service use and costs in adolescents with pain and suicidality: A cross-sectional study**

**Surface EMG Statistical and Performance Analysis of Targeted-Muscle-Reinnervated (TMR) Transhumeral Prosthesis Users in Home and Laboratory Settings**

**The impact of COVID-19 on Nurses (ICON) survey: Nurses' accounts of what would have helped to improve their working lives**

**A multivariate genetic analysis of anxiety sensitivity, environmental sensitivity and reported life events in adolescents**

**Bolaamphiphile analogues of 12-bis-THA Cl2 are potent antimicrobial therapeutics with distinct mechanisms of action against bacterial, mycobacterial, and fungal pathogens**

**Free-breathing Contrast-agent free whole-heart MTC-BOOST imaging: Single-center validation study in Adult Congenital Heart Disease**

**Mode-Dependent Event-Triggered Output Control for Switched T-S Fuzzy Systems With Stochastic Switching**

**The role of platelet function testing in acute coronary syndrome: a meta-analysis**
Aluvilu, A. & Ferro, A., 13 Dec 2022, (Accepted/In press) In: Open Heart. Research output: Contribution to journal › Article › peer-review

**Military Veterans and Civilians' Mental Health Diagnoses: An Analysis of Secondary Mental Health Services**
Research output: Contribution to journal › Article › peer-review

Proportional Immigration Enforcement
Gerver, M., Duell, D. & Lown, P., 12 Dec 2022, (Accepted/In press) In: JOURNAL OF POLITICS.

The Efficacy of Cue Exposure Therapy on Alcohol Use Disorders: A Quantitative Meta-Analysis and Systematic Review

Things That Become Visible, For a While, Can Leave a Residue1; Comment on "Ensuring Global Health Equity in a Post-pandemic Economy"

Urban change and social unrest: the Blitz, gentrification and the 2011 London riots
Leon-Ablan, G. & Kawalerowicz, J., 12 Dec 2022, (Accepted/In press) In: JOURNAL OF CONFLICT RESOLUTION.

Written evidence to 'Update to the UK's Integrated Review of Security, Defence, Development and Foreign Policy' for Foreign Affairs Committee

'The Myth of Invisible Men': Research and evidence summaries to support the Hertfordshire Family Safeguarding Partnership Board's Response

Real-world clinical and cost-effectiveness of community clozapine initiation: mirror cohort study

Supplement to 'The Myth of Invisible Men': Research and evidence summaries to support the Hertfordshire Family Safeguarding Partnership Board's Response: Health visitors' and midwives' views

Labour and Work in the Digital Media Economy: Emerging Debates and Future Directions

Association between depression diagnosis and educational attainment trajectories: An historical cohort study using linked data

Cook like a Boss Online: an adapted intervention during the COVID-19 pandemic that effectively improved children's perceived cooking competence, movement competence and wellbeing
Diagnosis of Brain Diseases in Fusion of Neuroimaging Modalities Using Deep Learning: A Review
Lam, H-K., 9 Dec 2022, In: Information Fusion.
Research output: Contribution to journal › Article › peer-review

Evidence-based management of pregnant women with sickle cell disease in high-income countries
Research output: Contribution to journal › Article › peer-review

Non-Small Cell Lung Cancer (NSCLC) in Young Adults, Age < 50, Is Associated with Late Stage at Presentation and a Very Poor Prognosis in Patients That Do Not Have a Targeted Therapy Option: A Real-World Study
Research output: Contribution to journal › Article › peer-review

Public Attitudes to Poverty
Hewlett, K., Hesketh, R., Benson, R., Townend, S. & Duffy, B., 9 Dec 2022
Research output: Book/Report › Report

Tiebreak mechanisms with stochastic AIs
Ismail, M., 9 Dec 2022, (Unpublished).
Research output: Working paper/Preprint › Working paper

Variations in the Uptake of Telehealth Technologies in Community and Crisis Mental Health Services During the Early Pandemic: A Survey of Mental Health Professionals in the UK
Research output: Contribution to journal › Article › peer-review

Wavefront Shaping-Assisted Forward-Viewing Photoacoustic Endomicroscopy Based on a Transparent Ultrasound Sensor
Zhao, T., Zhang, M., Ourselin, S. & Xia, W., 9 Dec 2022, In: Applied Sciences (Switzerland). 12, 10 p., 12619.
Research output: Contribution to journal › Article › peer-review

'I don't know which is the chicken and which is the egg': A qualitative study of weight loss-related beliefs and behaviours among adults with psoriasis and comorbid obesity
Research output: Contribution to journal › Article › peer-review

An assessment of bioinformatics tools for the detection of human endogenous retroviral insertions in short-read genome sequencing data
Iacoangeli, A., 8 Dec 2022, (Accepted/In press) In: Frontiers in Bioinformatics - Computational Bioimaging.
Research output: Contribution to journal › Article › peer-review

Research output: Contribution to journal › Article › peer-review
Leveraging time-dependent lexical features for offensive language detection
Research output: Chapter in Book/Report/Conference proceeding › Conference paper › peer-review

Modular capsid decoration boosts adenovirus vaccine-induced humoral immunity against SARS-CoV-2
Research output: Contribution to journal › Article › peer-review

Peer-Friendship Networks and Self-injurious Thoughts and Behaviors in Adolescence: A Systematic Review of Sociometric School-based Studies that Use Social Network Analysis
Research output: Contribution to journal › Review article › peer-review

Radiometal Chelators for Infection Diagnostics
Research output: Contribution to journal › Review article › peer-review

Silent revolution/passive revolution: Europe's COVID-19 recovery plan and green deal
Research output: Contribution to journal › Article › peer-review

A sustainable waste-to-protein system to maximise waste resource utilisation for developing food- and feed-grade protein solutions
Research output: Contribution to journal › Article › peer-review

An Expert and Veteran User Assessment of the Usability of an Alcohol Reduction App for Military Veterans, Drinks:Ration: A Mixed-Methods Pilot Study
Research output: Contribution to journal › Article › peer-review

An updated audit of the patient selection process for pain management programmes in a specialty care service before and during the COVID-19 pandemic
Buscemi, V., Chicken, J., Mahy, T., Knight, L. & Scott, W., 6 Dec 2022, (Accepted/In press) In: British Journal of Pain.
Research output: Contribution to journal › Article › peer-review

Association between antidementia medication use and mortality in people diagnosed with dementia with Lewy bodies in the UK: A retrospective cohort study
Research output: Contribution to journal › Article › peer-review

Harm to the Global Commons on Trial: The Role of the Prevention Principle in International Climate Adjudication
Duvic-Paoli, L-A. & Gervasi, M., 6 Dec 2022, (Accepted/In press) In: Review of European, Comparative & International Environmental Law.
Research output: Contribution to journal › Article › peer-review

Linking electronic mental healthcare and benefits records in South London: design, procedure, and descriptive outcomes.
Research output: Contribution to journal › Article › peer-review
Psychiatric ward staff experience of working with patients who hear voices and their views on voice simulation training: a qualitative study
Research output: Contribution to journal › Article › peer-review

Psychosocial and clinical associations of Fatigue Severity and Fatigue-related Impairment in Kidney Transplant Recipients
Research output: Contribution to journal › Article › peer-review

The Decline in Rent Sharing
Bell, B., Bukowski, P. & Machin, S., 6 Dec 2022, (Accepted/In press) In: JOURNAL OF LABOR ECONOMICS.
Research output: Contribution to journal › Article › peer-review

*People still want a face and that's where we can fill in*: A qualitative study of community pharmacists' experiences of providing healthcare advice about preconception and pregnancy
Research output: Contribution to journal › Article › peer-review

A systematic review of measurement methods used to estimate fluid and beverage intake in free-living working age adults
Rogerson, G., Whelan, M. & Gibson, R., 5 Dec 2022, (Accepted/In press) In: Journal of Human Nutrition and Dietetics.
Research output: Contribution to journal › Article › peer-review

Family conversations about species change as support for children's developing understandings of evolution
Hohenstein, J., 5 Dec 2022, (Accepted/In press) In: Science Education.
Research output: Contribution to journal › Article › peer-review

Federated learning enables big data for rare cancer boundary detection
Research output: Contribution to journal › Article › peer-review

Improving COVID-19 CT classification of CNNs by learning parameter-efficient representation
Research output: Contribution to journal › Article › peer-review

Logistics of the neoliberal food regime: circulation, corporate food security and the United Arab Emirates
Research output: Contribution to journal › Article › peer-review

MPS1 localizes to end-on microtubule-attached kinetochores to promote microtubule release
Research output: Contribution to journal › Article › peer-review

Socioeconomic background influences children's attitudes and learning in creative programming workshop
Research output: Contribution to journal › Article › peer-review

Unbounded Hankel operators and the flow of the cubic Szegő equation
Pushnitski, A. & Gerard, P., 5 Dec 2022, (Accepted/In press) In: INVENTIONES MATHEMATICAE.
Research output: Contribution to journal › Article › peer-review

Constructing a DRL Decision Making Scheme for Multi-Path Routing in All-IP Access Network
Research output: Chapter in Book/Report/Conference proceeding › Conference paper › peer-review

Insurance and enterprise: cyber insurance for ransomware
Research output: Contribution to journal › Article › peer-review

Self-start HIV Post exposure prophylaxis (PEPSE), to reduce time to first dose and increase efficacy
Research output: Contribution to journal › Article › peer-review

Associations between air pollution and multimorbidity in the UK Biobank: A cross-sectional study
Research output: Contribution to journal › Article › peer-review

Biomimetic Perception, Cognition, and Control: From Nature to Robots
Research output: Contribution to journal › Editorial

Biopsychosocial Response to the COVID-19 Lockdown in People with Major Depressive Disorder and Multiple Sclerosis

Enhanced proliferation of oligodendrocyte progenitor cells following retrovirus mediated Achaete-scute complex-like 1 overexpression in the postnatal cerebral cortex in vivo

Factors that influence the feasibility and implementation of a complex intervention to improve the treatment of Peripheral Arterial Disease in primary and secondary care: a qualitative exploration of patient and provider perspectives

Gambling and crime: An exploration of gambling availability and culture in an English prison

New results on sliding mode control for polynomial fuzzy singular systems with time-varying delay
Lam, H-K., 2 Dec 2022, (Accepted/In press) In: INTERNATIONAL JOURNAL OF ROBUST AND NONLINEAR CONTROL. Research output: Contribution to journal › Article › peer-review

Oral health interventions in pregnancy and type 2 diabetes: a scoping review

Personalised digital technology for mental health in the armed forces: the potential, the hype and the dangers
Leightley, D. & Murphy, D., 2 Dec 2022, In: BMJ Military Health. Research output: Contribution to journal › Article › peer-review

Progressive Voxelwise Homotopic Connectivity from childhood to adulthood: age-related functional asymmetry in resting state fMRI

Stable optical lateral forces from inhomogeneities of the spin angular momentum
Zayats, A., 2 Dec 2022, In: Science Advances. 8, 48, p. eabn2291 Research output: Contribution to journal › Article › peer-review

Understanding how the university curriculum impacts student wellbeing: a qualitative study

A case report of Patient and Public Involvement and Engagement activities to explore the potential of zines as an arts-based tool to target the stigma of pain
Leteurtre, C., Scott, W. & Swaby, C., 1 Dec 2022, (Accepted/In press) In: Pain and Rehabilitation. Research output: Contribution to journal › Article › peer-review

Accelerated 3D free-breathing high-resolution myocardial T1 mapping at 3 Tesla
Acceptability of point of care testing for antipsychotic medication levels in schizophrenia

Aerobic Exercise Training Response in Preterm-Born Young Adults with Elevated Blood Pressure and Stage 1 Hypertension: A Randomised Controlled Trial

Assessing performance of the Healthcare Access and Quality Index, overall and by select age groups, for 204 countries and territories, 1990–2019: a systematic analysis from the Global Burden of Disease Study 2019

Astrocyte adaptation in Alzheimer's disease: a focus on astrocytic P2X7R

C'est Grave: Raw, cannibalism and the racializing logic of white feminism

COVAD survey 2 long-term outcomes: unmet need and protocol

Clozapine-induced diarrhoea: A case report of an unusual adverse reaction

Delineating urban functional zones using mobile phone data: A case study of cross-boundary integration in Shenzhen-Dongguan-Huizhou area

Diminished Structural Brain Integrity in Long-term Cannabis Users Reflects a History of Polysubstance Use

Dissociation and its biological and clinical associations in functional neurological disorder: a systematic review and meta-analysis
Procedural and Evidentiary Issues
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

Quasi-synchronization of Reaction-Diffusion Neural Networks Under Deception Attacks
Research output: Contribution to journal › Article › peer-review

Reduced-Order Fault Detection Filter Design for Fuzzy Semi-Markov Jump Systems with Partly Unknown Transition Rates
Research output: Contribution to journal › Article › peer-review

Reproducibility of sequential ambulatory blood pressure and pulse wave velocity measurements in normotensive and hypertensive individuals
Research output: Contribution to journal › Article › peer-review

Self-Reported Social Media Use by Adolescents in Brazil: A School-Based Survey
Research output: Contribution to journal › Article › peer-review

Social dimensions of chronic respiratory disease: stigma, isolation, and loneliness
Research output: Contribution to journal › Article › peer-review

Temporary Basic Income in Times of Pandemic: Rationale, Costs and Poverty-Mitigation Potential
Research output: Contribution to journal › Article › peer-review

The Dark Side of DH
Research output: Chapter in Book/Report/Conference proceeding › Chapter › peer-review

The unforeseen future: Impacts of the covid-19 pandemic on home video-EEG telemetry
Research output: Contribution to journal › Article › peer-review

Understanding treatment-resistant depression using "omics" techniques: A systematic review
Research output: Contribution to journal › Review article › peer-review

A Delphi study to explore clinician and lived experience perspectives on setting priorities in eating disorder services
Research output: Contribution to journal › Article › peer-review
A Description of Interventions Prompted by Preoperative Comprehensive Geriatric Assessment and Optimization in Older Elective Noncardiac Surgical Patients
Research output: Contribution to journal › Article › peer-review

A comprehensive atlas of Aggrecan, Versican, Neurocan and Phosphacan expression across time in wildtype retina and in retinal degeneration
Research output: Contribution to journal › Article › peer-review

A cross-sectional survey of smoking and cessation support policies in a sample of homeless services in the United Kingdom
Research output: Contribution to journal › Article › peer-review

A global view of hypertensive disorders and diabetes mellitus during pregnancy
Research output: Contribution to journal › Review article › peer-review

A qualitative process analysis of daily contact testing as an alternative to self-isolation following close contact with a confirmed carrier of SARS-CoV-2
Research output: Contribution to journal › Article › peer-review

A randomised controlled trial of non-invasive ventilation compared with extracorporeal carbon dioxide removal for acute hypercapnic exacerbations of chronic obstructive pulmonary disease
Research output: Contribution to journal › Article › peer-review

A retrospective case notes review of the effectiveness and tolerability of metoclopramide in the treatment of clozapine-induced hypersalivation (CIH)
Research output: Contribution to journal › Article › peer-review

A simplified and easy-to-use HIP HOP assay provides insights into chalcone antifungal mechanisms of action
Research output: Contribution to journal › Article › peer-review

A systematic review of engagement reporting in remote measurement studies for health symptom tracking
Research output: Contribution to journal › Review article › peer-review

AAV9-mediated functional screening for cardioprotective cytokines in Coxsackievirus-B3-induced myocarditis
Research output: Contribution to journal › Article › peer-review

ASO Author Reflections: Decreased Life Expectancy in Esophageal Cancer Survivors
Accreditation and professional integration experiences of internationally qualified dentists working in the United Kingdom
Research output: Contribution to journal › Article › peer-review

Acetyl-CoA metabolism drives epigenome change and contributes to carcinogenesis risk in fatty liver disease
Research output: Contribution to journal › Article › peer-review

Active Pharmaceutical Ingredient Uptake by Zebrafish (Danio rerio) Oct2 (slc22a2) Transporter Expressed in Xenopus laevis Oocytes
Research output: Contribution to journal › Article › peer-review

Adapting an intervention of brief problem-solving therapy to improve the health of women with antenatal depressive symptoms in primary healthcare in rural Ethiopia
Research output: Contribution to journal › Article › peer-review

Adolescent perspectives on depression as a disease of loneliness: A qualitative study with youth and other stakeholders in urban Nepal
Research output: Contribution to journal › Article › peer-review

Aerosol and splatter generation with rotary handpieces used in restorative and orthodontic dentistry: a systematic review
Al-yaseen, W., Jones, R., McGregor, S., Wade, W., Gallagher, J., Harris, R., Johnson, I., Kc, S., Robertson, M. & Innes, N., Dec 2022, In: BDJ Open. 8, 1, 26.
Research output: Contribution to journal › Article › peer-review

An analysis of views about supported reduction or discontinuation of antipsychotic treatment among people with schizophrenia and other psychotic disorders
Research output: Contribution to journal › Article › peer-review

An exploratory examination of executive functioning as an outcome, moderator, and predictor in outpatient treatment for adults with anorexia nervosa
Research output: Contribution to journal › Article › peer-review

An image-based deep transfer learning approach to classify power quality disturbances
Research output: Contribution to journal › Article › peer-review

An improved understanding of sex and gender is crucial for precision rheumatology
Research output: Contribution to journal › Article › peer-review
An integrated primary care-based programme of PRE-Pregnancy cARE to improve pregnancy outcomes in women with type 2 Diabetes (The PREPARED study): protocol for a multi-method study of implementation, system adaptation and performance
Research output: Contribution to journal › Article › peer-review

Anemia and adverse outcomes in pregnancy: subgroup analysis of the CLIP cluster-randomized trial in India
the CLIP working group, Dec 2022, In: BMC Pregnancy and Childbirth. 22, 1, 407.
Research output: Contribution to journal › Article › peer-review

Apolipoprotein E and sex modulate fatty acid metabolism in a prospective observational study of cognitive decline
Research output: Contribution to journal › Article › peer-review

App-based COVID-19 syndromic surveillance and prediction of hospital admissions in COVID Symptom Study Sweden
Research output: Contribution to journal › Article › peer-review

Approaches to nutrition intervention in plaque psoriasis, a multi-system inflammatory disease—The Diet and Psoriasis Project (DIEPP)
Research output: Contribution to journal › Article › peer-review

Autism and chronic ill health: an observational study of symptoms and diagnoses of central sensitivity syndromes in autistic adults
Research output: Contribution to journal › Article › peer-review

Automated image curation in diabetic retinopathy screening using deep learning
Research output: Contribution to journal › Article › peer-review

Bayesian causal network modeling suggests adolescent cannabis use accelerates prefrontal cortical thinning
Research output: Contribution to journal › Article › peer-review

Beyond Simpson's Rule: Accounting for Orientation and Ellipticity Assumptions
Research output: Contribution to journal › Article › peer-review
Biointerface design for vertical nanoprobes
Research output: Contribution to journal › Review article › peer-review

Bone morphogenetic protein 1.3 inhibition decreases scar formation and supports cardiomyocyte survival after myocardial infarction
Vuksicovic, S., Colliva, A., Kufner, V., Martineilli, V., Moimas, S., Vodret, S., Rumencovic, V., Milosevic, M., Brkljacic, B.,
Delic-Brkljacic, D., Correa, R., Giacca, M., Maglione, M., Bordukalo-Niskic, T., Dumic-Cule, I. & Zacchigna, S., Dec 2022,
In: Nature Communications. 13, 1, 81.
Research output: Contribution to journal › Article › peer-review

Breast cancer risks associated with missense variants in breast cancer susceptibility genes
NBCS Collaborators, KConFab Investigators & SGBCC Investigators, Dec 2022, In: Genome medicine. 14, 1, 51.
Research output: Contribution to journal › Article › peer-review

COVID-19 ethnic inequalities in mental health and multimorbidities: protocol for the COVEIMM study
Research output: Contribution to journal › Article › peer-review

COVID-19 related stigma among the general population in Iran
Brahramian, A., Fathimakvand, M., Golalipour, E., Mirfazeli, F. S., Baradaran, H. R., Thornicroft, G. & Jalali Nadoushan, A. H.,
Research output: Contribution to journal › Article › peer-review

Circulating Interleukin-6 and CD16 positive monocytes increase following angioplasty of an arteriovenous fistula
Hakki, S., Robinson, E. J. & Robson, M. G., Dec 2022, In: Scientific Reports. 12, 1, 1427.
Research output: Contribution to journal › Article › peer-review

Clinical and cost-effectiveness of a personalised health promotion intervention enabling independence in older people with mild frailty (‘HomeHealth’) compared to treatment as usual: study protocol for a randomised controlled trial
Research output: Contribution to journal › Article › peer-review

Clinical outcome measures in dementia with Lewy bodies trials: critique and recommendations
the Lewy Body Dementias Clinical Trials Workgroup from the Lewy Body Dementias Professional Interest Area -
Alzheimer’s Association International Society to Advance Alzheimer’s Research and Treatment (ISTAART)*, Dec 2022,
In: Translational Neurodegeneration. 11, 1, 24.
Research output: Contribution to journal › Article › peer-review

Clinician views on best practice community care for people with complex emotional needs and how it can be achieved: a qualitative study.
Foye, U., Stuart, R., Trevillian, K., Oram, S., Allen, D., Broeckelmann, E., Jeffreys, S., Jeynes, T., Crawford, M., Moran, P.,
Research output: Contribution to journal › Article › peer-review

Co-deposition of SOD1, TDP-43 and p62 proteinopathies in ALS: evidence for multifaceted pathways underlying neurodegeneration
Research output: Contribution to journal › Article › peer-review
Co-designed and consensus based development of a quality improvement checklist of patient and family-centered actionable processes of care for adults with persistent critical illness
Research output: Contribution to journal › Article › peer-review

Cognitive Remediation and Social Recovery in Early Psychosis (CReSt-R): protocol for a pilot randomised controlled study
Research output: Contribution to journal › Article › peer-review

Cohesin couples transcriptional bursting probabilities of inducible enhancers and promoters
Research output: Contribution to journal › Article › peer-review

Collaboration over competition? Regulatory reform and inter-organisational relations in the NHS amidst the COVID-19 pandemic: a qualitative study
Research output: Contribution to journal › Article › peer-review

Comprehensive genetic and functional analyses of Fc gamma receptors influence on response to rituximab therapy for autoimmunity
Research output: Contribution to journal › Article › peer-review

Comprehensive human amniotic fluid metagenomics supports the sterile womb hypothesis
Research output: Contribution to journal › Article › peer-review

Conclusion: From Words to Deeds
Pacheco Pardo, R., Boulet, G. & Reiterer, M., Dec 2022, Cybersecurity Policy in the EU and South Korea from Consultation to Action: Theoretical and Comparative Perspectives. Pacheco Pardo, R., Boulet, G. & Reiterer, M. (eds.). Palgrave Macmillan, p. 269-284
Research output: Chapter in Book/Report/Conference proceeding › Chapter

Confronting the consequences of racism, xenophobia, and discrimination on health and health-care systems
Research output: Contribution to journal › Article › peer-review

Conjoint analyses of patients’ preferences for primary care: a systematic review
Lim, A. H., Ng, S. W., Teh, X. R., Ong, S. M., Sivasampu, S. & Lim, K. K., Dec 2022, In: BMC Primary Care. 23, 1, 234.
Research output: Contribution to journal › Article › peer-review

Consumer (dis)engagement coping profiles using online services in managing health related stressors
Research output: Contribution to journal › Article › peer-review

Controlling gene expression with deep generative design of regulatory DNA
Research output: Contribution to journal › Article › peer-review
Cost-effectiveness of screening tools for identifying depression in early pregnancy: a decision tree model
Research output: Contribution to journal › Article › peer-review
