Dear Professor Bell,

On behalf of the editors of *Publications of the English Goethe Society*, I am pleased to award you the English Goethe Society's 2018 PEGS Prize for an outstanding article published in the journal in the previous year. The award is for your article 'The Economics of Authorship in Eighteenth-Century Germany and Britain', which appeared in *PEGS* 86.3 (2017), pp. 172-182. We were impressed by your elegant style and effective argumentation against previously unexamined assumptions about the literary market in eighteenth-century Germany, with an admirable comparative scope.

The prize is accompanied by a cash award of £100, which will be arranged. Congratulations on an excellent article and on this prize.

Yours,
